**TO WHOM IT MAY CONCERN:**

Please accept this letter in support of Mr. Benard Veasley as he applies for employment with your organization. I am writing to express my support for his candidacy.

As an intelligent and capable individual, Mr. Veasley would add value to any organization. He is a seasoned leader and manager with a wealth of experience in the transportation industry, including applicable experience during his honorable tenure in the U.S. Army. Mr. Veasley holds a degree in organizational leadership and currently serves as a director in a school district with 18 schools and more than 17,000 students. He has extensive experience communicating with the public in this role.

Thank you for your time and attention in this matter. Respectfully, I ask those with the power to do so to give Mr. Veasley's application every consideration. I believe he would approach a new opportunity with the same confidence and professionalism he has shown in past endeavors. If I can be of further assistance, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Dave Wallace".
